“ Claire and family: We are so sad to hear of Sally's passing. I first met Sally in 1954 when her brother, Norman, and I became good friends all through high and until his passing. Sally was a warm wonderful person.

“ Love and prayers for Sally's children and Claire at this difficult time. Earth has lost an angel, and there was a party in heaven when Sally went home to see her Jesus. Sally was one of those rare, special people who loved and cared for everyone. Her quick smile, sense of humor, and sincerity, giving heart and humbleness made her endearing to all. She was my dear first cousin. More like a big sister that I never had. Once-in-a-lifetime child of God. Too soon gone.

“ I was so heartbroken to see this today. Sally had one of the biggest hearts. She will be greatly missed. I know that she is now with our Father in Heaven and I will see her again

“ Sally was truly an angel on earth. We will miss her smiling face; her sense of humor; and most of all, her loving warmth. She was never too busy to spend time with us when we passed through town. We have many wonderful memories of fun times spent with Sally and family. Condolences and love to Claire, Laurie, Kevin, Glenda Victoria, and Scott, and their families. Although we will see her again soon, in heaven - we will miss her here on earth. She made the world a much brighter place.

“ We lost a wonderful person. Sally, I will miss your smile, wit, laugh and soft spoken voice. Thank you for letting my kids call you "grammy" and you don't know how much I appreciated your phone call when I lost my mom last year. We know this will only be a temporary absence and there is comfort in the reunion that is going to take place in heaven, but your loss still stings.
