“ *I'm Shaun's cousin Sheryll Denny, I'm saddened by the news that our family has lost another member, especially one so young. Shaun was always a caring soul. I didn't spend time with him growing up, but when I did see him, he was the kindest, funniest, and always a gentleman. He will be sadly missed by all who knew him. Prayers*

“ *Our family thought so much of Shaun. We knew him since his Highschool days. He also was my Chiropractor in Salem. Kind is what I most think of Shaun. We were friends with his sister and mother. God's comfort to all his family. Sharon Doty and all the Doty family.*

“ Brooke and Family, I am so thankful for the little one I've known Shaun. He was a gentle giant and I loved seeing him with his kids. He was patient even when I know I wouldn't be. I know the last couple of years have been rough and my heart breaks for all of you. I pray that God reveals to you just how truly strong and loved you really are. He will be missed. Bless you!

“ Shaun was an amazing friend and chiropractor. I enjoyed getting to know him and his wife in small groups with our church. He was someone you enjoyed being around. He was funny and real. His faith through this entire ordeal was so inspiring. He kept the faith and fought the good fight. He will be greatly missed but I know for a fact he's in no more pain and rejoicing with the angels. Can't wait to see you again!

“ Dear family, many happy memories of Shaun be with you all. And I hope that these promises from Jehovah God will help you to endure. "Do not be anxious....but in everything by prayer and supplication along with thanksgiving, let your petitions be made known to God; and the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus." Philippians 4:6-7; Isaiah 25:8 NWT.

“ My heart hurts to hear about Shaun, I used to work at Bend Memorial Clinic and always enjoyed chatting with him. He was such a kind and caring individual. I pray for peace for his family, and glad he is in heaven free of cancer and pain. So sorry for your loss.

“ Shaun was probably the kindest person I have known. Soft spoken and unfailingly polite, he treated everyone with respect be they patients, friends, relatives, or his beloved wife and boys. He was also a great big kid who absolutely loved sports, video games and watching movies. When that twinkle finally went out of his eye, the world lost a good man but the heavens gained a new star. I am glad we had the honor of knowing him for as long as we did. Rest in peace, Doc Doll.

“ I rarely referred to him as Doctor because he was more a friend. We had fantastic conversations about life and family each time I came in. This past year has been particularly difficult dealing with a divorce and the death of my mother. Because cancer took her Shaun related to my heartbreak. He prayed for me and now I pray for his family. He so loved his boys and Brook. He was so proud as he talked about them. My heart is breaking again. I knew in February when he closed up shop. Shaun is free of pain and sickness and shines bright for his family.
