

Sheila Ann Gould

February 23, 1954 - November 21, 2025

In Loving Memory of Sheila Ann Gould

February 23, 1954 – November 21, 2025

Sheila Ann Gould was born on February 23, 1954, in Eugene, Oregon. A devoted wife, mother, grandmother, friend, and beloved hairstylist, Sheila spent her life pouring love, patience, and kindness into the world around her. Sheila leaves behind her loving husband, Charles Gould, her daughter, Awbrey Swanson, and son-in-law, Tyler Swanson. She was the proud and adoring Gigi to her two grandchildren, Bodhi and Remi Swanson, who brought immeasurable joy to her heart. Her family was her greatest love, and her steadfast devotion to them was evident in every moment she shared, every sacrifice she made, and every memory she helped create.

For most of her life, Sheila expressed her gifts through her work as a hairstylist. Her salon chair was more than a place for a haircut, it was a place where people felt seen, loved, and uplifted. She treated her clients like family, and in return, they adored her.

She is deeply and profoundly missed.

May her memory continue to shine brightly in the lives she touched and in the hearts of those who loved her most.

Niswonger-Reynolds Funeral Home, Bend, Oregon, was honored to serve the family.

“ I miss you so very much my friend. You are sincerely missed. You helped me get through breast cancer with your optimism. You were such a kind and helpful friend. I am very sad at your loss....

“ We may not have been best friends but I met her years ago she was a real sweetheart , she always had a smile that made everything better,She loved her family they were her world as she was theirs. I am so sorry to hear she passed , I figured she fought as hard as she could, at least now she is out of pain, I considered myself honored to know, I will keep her family in my prayers and thoughts.

I lived in Bend years ago and knew Sheila through St Francis School when Awbrey attended. She was part of a network of mutual friends who loved to gather, camp and enjoy life...together. May her perpetual light shine forever!

“ Hey there sweet Shiela, you are the anchor in my cousin's life. You will live long in this family's life. We love you and yours and look forward to your next generations of our clan.

There were no cellphone cameras when you got married, but I remember it like it was yesterday. We welcomed you with open arms. A true joy to be found.

*Love to all who received the gift of knowing you sweetheart,
Stuart*
