“ *May Suzys family find comfort in the good memories of her life. She was so much fun to bowl with and always cheerful and full of quick comebacks. We have missed bowling with her the last few years.*

“ *Susan was a friend, we were in the War Brides Club together, I was fun listening to her and other French girls having a good old gossip in there own tongue. I am from Scotland but was not a war bride but I was honored to belong to the club. Susan and Lee were good friends.*
