“ Bud was a big part of my life when I grew up as a kid. He taught me how to play baseball, and stood by me giving encouragement on the hot corner of 3rd base when the ball came at me when I was in little league telling me to stay in front of it. He taught me a lot of lessons as a kid, and is part of who I am today. So sad I lost touch the last few years. We connected through a few letters when I was living in Japan, and email, and he seemed so happy to connect with me from 2002-2005. He had a great heart and spirit for doing what was right. God speed to Bud and his family.

“ My sincere sympathy for the passing of Bud. He was a classmate and always a good guy. Our fathers moved to Bend from Wellsville, MO in the early 1920s, so we shared a special bond. I went through public school with Bud and he and I were in the same classes on several occasions. We didnt see each other very much in our adult years, but when we did he always had a smile and time for a chat. Bless Bud and his family at this time.

“ I grew up with Bud, spent time at the family cabin with the Camp Fire and Horizon Girls, and its hard to believe that its time to say good-bye. Bud was always a nice guy and he took the time to talk and share. Blessings to his family and his friends, we share your sorrow. Thanks for you note. I will miss Bud , NeBe Ross McClain

“ Im very sorry to hear of Buds passing. We were good friends and skiing partners in high school, and later attended University of Nevada together for a year (mostly for the skiing). Bud was a creative person, always trying to learn new things. Will always miss Virgil.
