“ I think about my foster mother often and have good memories for the short time I was in her household on the Navy Base in Key West. She was very kind and made an impact on my life. I know I was not an easy child for her. I often wanted to see her again and didn't come across her name on the internet until recently. I was so close yet so far away. I visited Bend, Oregon in July 2005 and was searching everywhere around Portland, Oregon in hopes of finding her. Of course, under the name of Harris. She will always be in my heart. I know you have lost a wonderful mother and my condolences to the whole family. Lyttie Neuberger Israel
