“ *What a legacy left by such a great man of God. We have known Wes and Cindy for a dozen years or so and loved hearing their wisdom. I got the privilege to seek counsel from Wes many times and usually left our meetings wanting more. I loved hearing him talk about Israel and his love for Gods chosen people. He spoke often about the feasts and traditions that helped me desire God more. A man that truly loved God and blessed people every where he went. He loved his family and walked out his faith daily believing and trusting God. We will miss him until we see him again in glory!*
