

William Pfeiffer

June 1, 1942 - October 10, 2023

William Pfeiffer, a longtime resident of Bend, Oregon, passed away on October 10th, 2023.

Bill was born and raised in Chicago and loved to play football. He went on to play for the Notre Dame Fighting Irish and later attended Northwestern Law School.

After a career as a real estate attorney in California, the Bend vacation house became home. He loved to spend his free time in the outdoors walking, horseback riding, and volunteering as a coach for youth football and basketball. To do it all over again, he said he would have been a coach.

Family members include Jill Pfeiffer, Ko and Rebecca Peters, Bill and Julie Pfeiffer, grandchildren Kai, Lucas, Sage, Reilly, and brother Bob and sister-in-law Heike Pfeiffer.

In the lieu of a service, the family suggests a donation in his remembrance to a youth sports program of your choice in the local area.

“ Although I didn't know Bill well, I want to share that he was a SMART reader at Jewell Elementary when I was working there. I'd see him so engaged with students...encouraging, smiling, connecting. Little pieces of his life, shared with others, the long-term positive impact we may never know. Should I add that he usually wore Notre Dame gear to his reading sessions--immediately endearing him to aspiring athletes.

“ As the GM at the Athletic Club of Bend it was my honor and pleasure to know Bill during my 12 years in that position. He was always so kind, respectful and humble - a favorite of the staff and members alike. He was the first subject honored on the club's "Wall of Fame", highlighting his amazing exploits at Notre Dame and beyond. After I left the "fitness biz" to pursue a career in commercial real estate Bill was very helpful in helping me network among his friends and associates in that world. A sweet, sweet bear of a man. He will be dearly missed - Bob Smith

“ *I met Bill and his equine friends 18 years ago and often rode with him until he lost his mare Rose. Bill loved all things Western/cowboy including their history in the US and, of course, movies. He will be missed. I'd like to think he has been able to meet up again with his beloved mare and they are once again riding the trails...Mellanie*
